Who can access this service: To qualify for the RCF Subsidy program an individual must:

- be 18 years of age or older
- meet established asset and income criteria
- be able to maintain personal mobility at the time of admission
- require assistance with identified activities of daily living

All potential residents will be assessed by a qualified health professional as to their eligibility for a given facility prior to admission.

How to apply: Contact for information.

The Residential Care Subsidy Program aims to prevent homelessness by providing for safe and affordable supported housing in a communal setting for people who require assistance with the daily activities of life. Offers choices of housing with support options for people who would otherwise be homeless, inappropriately housed in institutions and/or shelters, or inadequately supported in other settings. Funding is connected to individual residents on a per day basis

Hours:**Cost:** None**Who can access this service:** Visit the website for specific age requirements and other qualifications. Canada has reciprocal social security agreements with many other countries, see website for details.**How to apply:** Some eligible seniors will be automatically enrolled in the OAS Program, they will receive notification from Service Canada a month after they turn 64. Seniors who do not receive this notification can complete an application online, by phone, or in person at Service Canada locations.

Old Age Security (OAS) is a monthly benefit, the amount determined by how long the person receiving the benefit has lived in Canada. It is considered taxable income. **Guaranteed Income Supplement (GIS)** is a supplement added monthly to Old Age Security for those with limited or no income. It must be re-applied for annually, and is not payable outside Canada beyond a period of 6 months regardless of how long the person lived in Canada. **Allowance** is a monthly allowance for spouses 60-64 years old of Old Age Security pensioners receiving Guaranteed Income Supplement. It is based on the combined income of the couple. **Allowance for the Survivor** is a monthly allowance for widowed spouses 60-64 years of age, who have not remarried or entered a common-law relationship. It is based on limited or no income.

Canada Pension Plan

Phone:

Contact:

Email:

Web: <https://www.canada.ca/en/services/benefits/public...>

Address:

Hours:

Cost: None

Who can access this service: Open to all Canadians who have made at least one valid contribution to the CPP and are 60 years of age or older.

How to apply: Apply online, or print and complete forms and mail to Service Canada or drop off at any Service Canada Office.

A monthly, taxable benefit that replaces a portion of the applicant's income upon retirement. Those who qualify for the Canada Pension Plan (CPP) will receive the retirement pension for the rest of their life. Individuals aged 60 to 69 can continue to work while receiving CPP. CPP contributions will then go toward post-retirement benefits (PRB) which will increase income upon retirement.

Canada Death Benefits

Phone:

Address:

Hours:

Cost: None

Who can access this service: The deceased must have made contributions to the CPP for at least one third of the calendar years since they turned 18 (no less than three years) or for at least 10 years.

How to apply: Apply online, or print and complete forms and mail to Service Canada or drop off at any Service Canada Office. Information about required documentation is available on each form.

A one-time, lump-sum payment to the estate on behalf of a deceased Canada Pension Plan (CPP) contributor. If an estate exists the executor should apply for the benefit within 60 days of the date of death. If no estate exists or if the executor does not apply, payment may be made to: the person or institution responsible for paying funeral expenses, the surviving spouse or common-law partner of the deceased, the next-of-kin of the deceased. Individuals who are eligible for this benefit may also be eligible for the Surviving Child's Benefit or the Survivor's Pension which both offer monthly payments to children, spouses, and common-law partners of deceased CPP contributors.

Who can access this service: Open to all Canadian citizens, landed immigrants, or refugee claimants who do not have arrears owed to an Ontario social housing provider for rent or damage.

How to apply: Application forms are available on the website or through other local housing services organizations. Contact for more information.

Operates as an access point for subsidized housing in Hamilton. Subsidized housing is when rent is geared to the income of the recipient instead of market rates. Staff assist applicants with the application process and maintains the central waiting list for subsidized housing available from social housing providers. Eligibility is calculated based on 30% of a household's gross monthly income. If applicant is receiving assistance from Ontario Works or the Ontario Disability Support Program, a social assistance rent scale is applied. Additional charges may apply depending on the building (e.g. utilities, parking). The organization does not operate as a landlord and does not directly offer housing. Does not offer emergency shelters or emergency housing.

Who can access this service: Persons legally present in Canada or Canadian citizens and landed immigrants outside Canada. To file a complaint, a person must have been discriminated against by a federally regulated organization such as a federal government department, agency or crown corporation, chartered bank, national airline, inter-provincial transportation or shipping line,

telecommunications company, certain mining industries, railway and others.

How to apply: Call or visit website.

Administers the Canadian Human Rights Act which prohibits discrimination on the grounds of race, national or ethnic origin, colour, religion, age, sex, sexual orientation, genetic characteristics, family status, gender identity and expression, marital status, disability, and pardoned conviction. Handles complaints (including sexual harassment) against organizations within Canadian federal jurisdiction and tries to end discriminatory policies and practices in employment and in the provision of goods and services, by means of education and public information programs. Aims for federally regulated employers to achieve a well represented workforce of four designated groups: women, visible minorities, people with disabilities and Indigenous people. To reach the desired objective, it carries out compliance audits of employers and service providers under federal jurisdiction.

Provides companionship and support to help seniors or persons with disabilities remain independent in their homes. This program aims to enrich the social interaction of individuals by connecting them to the community and other helpful resources. Visits last around one hour and usually take place in the client's home (including retirement residences) once per week. Each friendly visitor volunteer is carefully matched with a client by similar interests and background. All volunteers are required to provide a valid Vulnerable Sector Screening Check, take part in the interview process, pass the reference check, and participate in a training session.
